Transportation Safety Plan: Child Health & Safety Information	<ul style="list-style-type: none">• All Licensees/approved programs shall ensure that the vehicles used to transport children to and from child care comply with 606 CMR 7.13. For example, the vehicles should contain the following information on the children for the drivers:<ul style="list-style-type: none">• The child's emergency contact information;• The child's behavioral or medical problems; and• The identity authorized person to receive child.	<ul style="list-style-type: none">• A description of how the Licensee/approved program will ensure that the vehicles used to transport children to and from child care comply with 606 CMR 7.13.• Please identify the person(s) and role(s) responsible for monitoring and overseeing compliance with the child health and safety requirements.

**Massachusetts Department of Early Education and Care
Checklist for Required Components of the Transportation Oversight Plan**

The Transportation Oversight Plan submitted to EEC contains the following policies and procedures:

- ☐ Safety Training for Drivers and Monitors
- ☐ Registering Drivers and Monitors in the Professional Qualifications Registry
- ☐ Supervision of Drivers and Monitors
- ☐ Notice to EEC of Substantial Changes to the Program's Transportation Services
- ☐ Policy for Maintaining Current Documentation on Site
- ☐ Policy and Procedure for Notifying Parents
- ☐ Policy and Procedure for Conducting Post-trip Checks
- ☐ Policy and Procedure for Maintaining Passenger Logs
- ☐ Transportation Safety Plan: Child Health & Safety Information

Note: These policies and procedures contained in this Transportation Oversight Plan are intended to supplement and/or support licensed providers' existing health and safety requirements of the Commonwealth at 606 CMR 7.00 *et seq* and/or Contractor obligations.
